

Sunday morning if I have no  
bad luck in getting there.  
I have not had time to go to the  
Photogallery yet will go tomorrow  
do not think now of ~~me~~ for not going  
any sooner, "no. no. don't think for  
a moment I am flattering you,  
for I am only saying what is  
true to you, in my own estimation  
you are highly esteemed,  
Will I not tell you, I think you  
are a nice girl and also as  
sweet as can be, now S. If  
you dream of me you must  
have been thinking of me  
when you were alone and had  
no one to cheer you up?  
Tell those Girls they ought to  
have some body ory up for them  
as they were and are for you too,  
and what heart you did not  
shed a tear, it course not there
